Driveway Permit required to construct, reconstruct, alter or enlarge. The applicant shall pay a fee in an amount as set by the Village Board. Upon receipt of the application and the fee if required, unless the proposed private driveway is a part of construction for a building or other structure for which a building permit has been applied for, in which case no additional fee is required, the Village Administrator shall approve such application if the proposed driveway complies with the terms and conditions of this and any other applicable Village ordinance.
