

Authorization

In the space below draw to scale the dimensions of the lot. Show present and proposed buildings. Show distances from buildings to lot lines. Distances to nearest street and alley rights of way. Show any additional information that may aid in review of the application. For driveways show width of the proposed driveway and distances from nearest intersections. All requests must comply with the Village of Trempealeau Code of Ordinances. In lieu of a sketch a parcel map with imagery may be obtained from the Trempealeau County web mapping service.

The undersigned states that the foregoing information is true and accurate to the best of their knowledge; it is hereby agreed that for and in consideration of the issuance of a Permit that the foregoing work will be carried out as defined in this application; that all applicable ordinances or codes of the state, county, and village will be complied with in carrying out the proposed work stated in the application; and that work will not commence before a permit has been obtained. If any changes or deviations are made from the original application, a new permit or written request for a permit revision and subsequent approval is required. Failure to comply with the permit as issued will result in the revocation of the permit or other penalties. Property owners, builders, and contractors are responsible for code compliance and reasonable care in construction.
